Understanding your Extras cover

How do my Extras Benefits Work?

CBHS Intermediate Extras benefits are based on 70% of the cost the provider charges you, up to a set benefit per service, which is capped by an overall limit.

Below is an example of how the Extras benefits work, depending on the service fee the dentist charges:

- Dentist fee = \$60
- 70% of service fee = \$42, which is more than the service limit (\$36)
- Benefit payable = \$36

Benefit Period

Each group of services within Extras and Package covers have an overall limit on the amount you can claim. Most limits are based on per person per calendar year, unless otherwise stated in our Extras table.

Benefits which attract a three and five year period are entitled to have the benefit renewed on the same date which the service was performed respectively.

Extras Waiting Periods

EXTRAS WAITING PERIODS	CALENDAR MONTHS
Orthodontia, crowns and bridges, health care aids	12 months
Prescribed optical appliances, periodontics and endodontics	6 months
All other services	2 months

Dental Choice Networks

The dental Choice Network is a group of dental service providers who have committed to reducing or removing the gap for selected preventative dental services that you would usually pay between the dentist's charges and the CBHS benefit. By choosing to use a dentist in the network you will have no out-of-pocket expenses for these selected services.

Optical Choice Networks

By visiting an optical Choice Network provider, you receive benefits of 100% (instead of the usual 70%), of the cost for all optical frames, lenses and contact lenses from a selected range, up to the maximum per service and overall limits. These services may also be subject to known gaps, where you will know in advance what out-of-pocket expenses you may incur.

Option to Keep a Non-Student Dependant Covered

Intermediate Extras also provides an option to keep your non-student dependants covered up to the age of 25 on your cover providing they meet the non-student dependant criteria. An additional contribution amount is payable to enable this option. More information is available at cbhs.com.au
